Why Your Child Cannot Put Down His Cell Phone

May 10
9:30 - 11:00 a.m.

The Pillar Foundation
15820 Clayton Rd.
Ellisville, MO

Sister Marysia Weber, R.S.M., D.O., Physician certified by the American Board of Psychiatry/Neurology, will tell us how cell phones and video games are rewiring the brains of young people and what we, as parents can do to help guide our young children and teens toward healthy intellectual, emotional and spiritual development.

Sister Marysia Weber, R.S.M., D.O., is a Religious Sister of Mercy of Alma, Michigan. She graduated from MSU-COM in 1983 and completed a medical internship at Pontiac Osteopathic Hospital in Michigan in 1984. She completed her residency in psychiatry at the Mayo Clinic in Rochester, Minnesota in 1987 and her fellowship in consultation-liaison psychiatry at the Mayo Clinic in Rochester, Minnesota in 1988. She completed a Master's degree in Theology from Notre Dame, South Bend, Indiana in 1997. She practiced in her religious institute's multidisciplinary medical clinic, Sacred Heart Mercy Health Care Center in Alma, MI from 1988-2014. She became the Director of the Office of Consecrated Life for the Archdiocese of Saint Louis in 2014. She currently serves as a member of the Saint Louis Archdiocesan Review Board, the Child Safety Committee, is involved with Project Rachel, collaborates with the Office of Laity and Family Life and is a member of the Catholic Medical Association. She also serves as Adjunct Clinical Instructor in the Department of Psychiatry at Washington University School of Medicine in Saint Louis, Missouri.

This event is free, and registration is not required. Women, men, and teens are welcome and encouraged to attend!
