First Things First

"As the State Director for CWA of Missouri, I understand that prayer must be our number one priority. We must be willing to spend time on our knees before running out the door. So often we can get caught up in the many issues that come before the state legislature. This is why CWA of Missouri's Encourage-A-Legislator Program must stay a priority. Please join us as we keep first things first!"

Bev Ehlen
State Director

"I am honored to oversee this program. Throughout the years CWA of Missouri has received wonderful feedback from both legislators and encouragers alike. Now more than ever our leaders need our prayers and encouragement."

Ginger Yoak
Encourage-A-Legislator Coordinator

A Call to Prayer

"I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness." I Timothy 2:1-2

I Timothy 2:1-2 instructs us to pray for our leaders. The Encourage-A-Legislator (EAL) program offers our members and friends the vehicle to do just that in an easy and meaningful way.

By participating in Concerned Women for America (CWA) of Missouri's EAL program, CWA members and friends are fulfilling the Biblical command of praying for our leaders in I Timothy 2:1-2 and living out the command to love one another, as well as being a good citizen.

Please join us.

The Program

The goal of the EAL program is to encourage each member of the State House and Senate, as well as state-wide office holders, by praying for them on a regular basis and sending them a postcard every week throughout the legislative session, January to mid-May. Our goal is to cover all those "in authority" in Missouri—163 House members, 34 Senate members, and five state-wide office holders.

The EAL program is never used to lobby and, therefore, is never confrontational. It is simply a great way to lift up those in authority and encourage them in their responsibilities. Many good relationships have started through the EAL program.

We provide the name and address of the assigned legislator(s) along with the post cards. You commit to pray for them every Monday morning the Missouri General Assembly is in session and then mail the postcard that day.
