## Standing Strong Together

*Though one may be overpowered by another, two can withstand him, and a three fold cord is not quickly broken.*

- Ecclesiastes 4:12

As the Scripture above states, our strength increases as we stand together in the calling God has given us. To make our grassroots network stronger and to make training as accessible as possible, we have decided to move our Leadership Training Conference out to the states. Conferences will be held in four different locations around the country.

This is an invitation-only event and is open only to CWA leaders. We have designed these conferences to not only educate you on the issues but to equip you to fulfill your specific leadership role. The CWA national staff will be on hand to share their expertise with you.

In addition to the training from our staff, we will also have hands-on training and times for brainstorming and strategizing. The sessions are designed to be interactive, and our hope is that everyone will have something to add to the discussion and be energized by the exchange of ideas.

As you fulfill your calling in CWA, we know you can feel alone and discouraged. We have all experienced the strange looks that our friends give us when we discuss the issues as well as the frustration of being misunderstood. Our time together will both equip and encourage *you* and will strengthen all of *us* as we are ...
