CWA Founder And Chairman

Dear Friend,

In 1979, I founded CWA at my kitchen table. From those humble beginnings, we have been blessed with amazing growth, including a grassroots presence across the U.S. and an effectiveness few believed possible. Please join us in restoring the family and Judeo-Christian values in America!

Thank you and God bless you.

Beverly LaHaye

CWA Chief Executive Officer

Dear Friend,

I was recently struck by a quote from Abigail Adams, the wife of John Adams our nation's second president. Amidst the turmoil of forming a new nation Abigail wrote to her husband, "If particular care and attention is not paid to the ladies, we are determined to foment a rebellion, and will not hold ourselves bound by any laws in which we have no voice or representation." That sounds a lot like what I hear from women across our nation today that are concerned about their families, their faith and their freedom! CWA is here to equip and enable you to make an impact on issues of the day. Will you join CWA today and help us take a stand for righteousness? Visit us at Concerned.

Sincerely,

Penny Nance

Who is CWA?

CWA is the nation's largest public policy women's

organization with a rich history of helping our members apply Biblical principles to all levels of public policy.

Six Core Issues

Family- Defending marriage as between one man and one woman

Sanctity of Human Life- Protecting life from conception to natural death

Education- Reforming public education by returning authority to parents

Pornography- Fighting all pornography and obscenity

Religious Liberty- Supporting the God-given right of all people to pray, worship and express their beliefs without fear

National Sovereignty- Ensuring that no organization holds authority over the U.S. in any area. Supporting the duty of the U.S. to defend and secure its borders

Mission

The mission of CWA is to protect and promote Biblical values among all citizens - first through prayer, then education, and finally by influencing our society - thereby reversing the decline in moral values in our nation.

CWA National

CWA's national headquarters are in Washington, D.C. where you'll find a unique blend of policy experts, legal studies, research, publications, legislation, media, and volunteer coordination. For more information visit ConcernedWomen.org.

State Organizations

Under the direction of a volunteer State Director and Steering Committee, members turn concern into action! The state organization holds community and state events, meets with legislators, informs the public of key issues affecting the family and maintains state web pages. To check out your state web page go to states.cwfa.org.

Local Prayer/Action Chapters

Prayer/Action Chapters meet monthly in homes, churches and communities across the nation. The Prayer/ Action Chapter has a three-fold purpose, providing an opportunity for members to:

1. Be alert and **Informed** on the issues. (...being watchful to this end with all perseverance...Ephesians 6:18b)
2. **Pray** about the issues. (...praying always with all prayer and supplication in the Spirit.... Ephesians 6:18a)
3. **Act** on those issues. (...that in it I may speak boldly, as I ought to speak. Ephesians 6:20)
