

## Speak Now to Save Hawaii Pregnancy Care Centers - Oppose SB501 SD1

“For You formed my inward parts; you covered me in my mother’s womb.  
I will praise You, for I am fearfully and wonderfully made.” (Psalm 139:13-14a)

SB501 SD1 “Requires all limited service pregnancy centers to disclose the availability of and enrollment information for reproductive health services; establishes privacy and disclosure requirements for individual records and information; authorizes civil penalties and civil actions for enforcement and remedy.”

Bottom line, pregnancy care centers will be required to provide information on local abortion clinics to their clients or break the law and face civil penalties and civil actions.

This bill is a battle for survival of the innocent unborn and the pregnancy care centers that advocate for them. Each pregnancy successfully carried to term is one less abortion to be performed.

Unfortunately, SB501 was passed by the Senate and moved to the House where the House Committee on Health has deferred it until 10:15am on Tuesday, March 21<sup>st</sup>. Turnout and testimony at the hearing last Thursday was overwhelmingly in opposition, so the deferment indicates **there is still a chance that committee members can be persuaded to vote NO on this bill. We must keep the pressure on!**

**Please Take Action Immediately.** Contact each committee member and ask him/her to vote NO on SB501 SD1. Email each committee member and then give them a call. Feel free to call and leave a message after hours. **Please act now; the hearing is 10:15 a.m. this Tuesday.**

Consider the wise words of Proverbs 24:11, 12, “Deliver those who are drawn toward death, and hold back those stumbling to the slaughter. If you say, “Surely we did not know this,” Does not He who weighs the hearts consider it? He who keeps your soul, does He not know it? And will He not render to each man according to his deeds?”

Contact as many legislators as your time allows. Every contact you make counts! Join the chorus in opposition to this bill. ### **More about SB501 SD1:**

- Requires pregnancy care centers to do what is in direct opposition to the centers' very mission.
- Is an attack on religious freedom.
- Is an attack on free speech.
- Is a "one-way street" that imposes no such requirement on abortion providers to advertise the services of pregnancy care centers.
- Seeks to further the agenda of abortion providers.

Know that this is *not* a two-way street. There is no such law in the legislature being considered that requires abortion clinics to give information out about pregnancy care centers.

**Please, make your phone calls and send your emails now. The very survival of pregnancy care centers and therefore the lives they seek to save and minister to depend on it.**

**Stay informed!** If SB501 passes it will go to at least two more committees before the House votes on it. This must be stopped before it gets to the House. Sign-up for e-alerts to track the status of SB501 at [ConcerneWomen.org](http://ConcerneWomen.org). Scroll down to "STAY INFORMED!" Women and like-minded men are all encouraged to sign-up.

**Please Pray.** Pray for the defeat of SB501 in the House Committee on Health. "The effectual fervent prayer of a righteous man avails much." (James 5:16)

For life!
