We have a variety of opportunities for involvement in CWA of Missouri. You are needed!

Lobby and/or pray at the state capitol. Join our lobbying team at the State Capitol. These ladies are there every week during session, attending hearings, visiting with office holders, delivering information, forming relationships and standing for God's Truth. You can attend one of our monthly CWA of MO Lobby Days or maybe you can commit to one, two, three or four days a month or more, let us know!

Be part of our Encourage-A-Legislator Program. The goal of the Encourage-A-Legislator (EAL) program is to encourage each member of the Missouri General Assembly, as well as state-wide office holders, by praying for them on a regular basis and sending them a postcard every week throughout the legislative session. Click [here](#) to view our EAL brochure and then contact Ginger Yoak to sign up for the 2016 legislative session.

Host a CWA educational event. Which one of our [Seven Core Issues](#) concerns you the most? Let us know, and we will look into the possibility of putting on an educational event in your area on that issue.

Sign up for CWA of Missouri e-alerts. Stay in tune with CWA of Missouri legislation, events, projects and more! E-mail us today, and we will put you on the list.

Host a meeting on Agenda 21 and how it threatens our National Sovereignty. Are you interested in the issue of national sovereignty, Agenda 21 and what it all means to Missouri? Consider hosting an event about it at your church, home or other and invite Amy Fox to speak. Through research she found her local community was being influenced by

proponents of Agenda 21. She works with local leaders, legislators, city governments and citizens to enable them to push back against big government.

Defend the unborn. There are a variety of ways to make your voice heard on behalf of the unborn such as participation in Life Chain, being a Prayer Presence on the sidewalk in front of the local Planned Parenthood office, participate or organize 40 Days for Life, throw a baby shower for your local Crisis Pregnancy center and more. Contact Gina Allen today to find out how you can make the next step to protect the unborn of Missouri.
