Concerned Women for America (CWA), religious hospitals or orphanages, or religious orders are NOT religious enough.

- ✓ For example, the nuns at Little Sisters of the Poor who, because of their deep faith, give their whole life, literally, to serving the elderly, are NOT religious enough to receive an exemption under ObamaCare.
- ✓ Simply put, ObamaCare places reproductive “rights” above religious liberty.

**ACT ON THE FACTS:** Join our efforts to defeat the HHS mandate

- Pray** for religious freedom in America and for every decision maker who will be evaluating these violations in the weeks and months to come.
- Equip** yourself at [ConcernedWomen.org](http://ConcernedWomen.org).
- Share** what you learn with those around you. This is not a Republican or Democrat issue, it is a constitutional, religious liberty issue about which we should all be concerned. Print the materials you will find at our website and make sure everyone has a copy.
- Vote** for people who respect and, indeed, cherish religious liberty. This is crucial.
