

**Obama placed his target
on the “wealthy,”
but his buckshot
hit families and children**

To pay for their gluttony of spending (like \$50 million for a UN group that assists China’s forced abortion program), Team Obama plans to:

- ◆ Increase taxes on married couples
- ◆ Decrease tax credits for children
- ◆ Increase taxes on gas, heating and electric bills
- ◆ Tax charitable donations

Find out if your congressmen voted for Obama’s tax and spend plans at www.cwalac.org. If they voted “Yes,” give them grief. If “No,” tell them thanks!
