

CONCERNED WOMEN FOR AMERICA OF WASHINGTON
ACTION ALERT DECEMBER 20, 2013

Dear Concerned Women for America of Washington Member,

Merry Christmas! I pray that your Christmas will be a blessing to you and that you are able to bless others during this time of celebration of our precious Lord and Savior Jesus Christ.

“For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace.” Isaiah 9:6

Concerned Women for America of Washington plans to stay active in the state’s public policy arena in order to promote and protect Biblical values and our God-given rights, especially religious liberty. **Pray** that we will faithfully represent Biblical principles as we interact with legislators and others involved in defining public policy. **Educate and involve** yourself in the issues via our action alerts, newsletters and website (wa.cwfa.org) and help others to understand why we must stand strong in defense of our Biblical values, particularly as they relate to CWA’s seven core issues: Sanctity of Life, Definition of Family, Religious Liberty, Education, Sexual Exploitation, National Sovereignty, and Support for Israel. You may access more information about those issues on the national website: concernedwomen.org.

Supported by your prayers, involvement and gifts, your **active membership** not only gives us more credibility (numbers really do count when we go to Olympia to represent your Christian values), but encourages and enables us to continue to stay in the battle. I just sponsored a friend with a CWA of Washington membership; perhaps you know a concerned citizen who would appreciate the gift of membership, too. Please send your 2014 donation to the state organization at CWA of Washington, P.O. Box 143, Woodinville, WA 98072 (membership form attached).

We also need more of you to step up and take leadership within CWA of Washington, filling the roles of **Prayer/Action Chapter Leaders** (PALs) and **Home Team Captains** (HTCs). We especially need PALs and HTCs in central and eastern Washington where many members reside. The time commitment is about four hours per month and surely you know many other concerned citizens who would join you to pray for our nation, our state, our families, and our future. At year’s end, please pray about this need.

In addition, we need another fifty prayer warriors to pray daily for our state legislators while they are in session and send them an encouraging weekly postcard through CWA’s **Encourage-A-Legislator** campaign. Won’t you share these needs with others and contact me with your willingness to protect and promote Biblical values in our state’s culture? Please prayerfully consider your responsibility to stand strong for our Almighty God in a culture that is increasingly hostile to Him and His followers. Then contact our

office via email, telephone or mail and “be strong in the Lord and in the power of His might.” (Ephesians 6:10).

Loving and obeying our LORD, keeping our eyes on the goal and running the race with endurance, those are the motivations for what we do as Concerned Women for America of Washington. Please join us and resolve in 2014 to take on a greater role in restoring this culture to its spiritual and moral foundations.

Christmas Blessings from
