

Confronting Common Core

Tuesday, January 7, 2014, 7:00 p.m.

You have heard the spin - now get the truth.

- Loss of local control
- Loss of privacy
- Loss of parental rights
- Affects public, private and home schools
- Bulk of cost will fall on state

This national initiative is unconstitutional and is an affront to states' rights as outlined in the Tenth Amendment. States have sacrificed their sovereignty and have been reduced to mere administrative agents.
