

Concerned Women for America of Hawaii - *in Aiea*

Is your heart burdened by the direction in which our culture is moving in regards to things of this world such as transgenderism, abortion, religious rights, the upcoming election, and more? Do you sometimes feel like you are the only one who objects to the direction our country is going? Do you wonder where God is in all of this as well as where the Church is?

We at Concerned Women for America of Hawaii share the same sentiments and can show you how to take your concerns and put them into both prayer and action. "Thus also faith by itself, if it does not have works, is dead." (James 2:17)

Now is the time! Let us not shrink back. "Yet, who knows whether you have come to the kingdom of God for such a time as this?" (Esther 4:14) All the signs are here; we must act lest we be accountable for not acting.
