

AGENDA 2 MASTERS OF DECEIT

THE ISSUE IS NEVER THE ISSUE.

Tuesday, September 6, 2016
6:30 - 9:30 p.m.

The Pillar Foundation
15820 Clayton Road
Ellisville, MO 63011

Join us, along with our featured speaker, Curtis Bowers, former Idaho state representative and producer of *AGENDA 2: Masters of Deceit* as he presents his film and the well-documented communist agenda behind what prompted its production.

From the promotion of Islam to the propaganda of climate change, from the deceit of Common Core Curriculum to the manufactured economic crisis, from the lies behind the “sustainability movement” which has nothing to do with clean air, water, and stewarding our resources ... ALL deceiving Americans into believing that this is a problem in need of One World Government as the solution.

Please join us for this screening of *AGENDA 2: Masters of Deceit* and the opportunity to learn how we can effect change to stop this Agenda and save the America we cherish.

Watch the film trailer at <https://vimeo.com/136798883>.

Please be sure to invite your pastor and state office holders to attend!

Adults and teens are all encouraged and welcome to attend.
