CWA endeavors to fight pornography, obscenity, prostitution, and sex slavery.

The industries that support these activities are harmful to our families and communities.

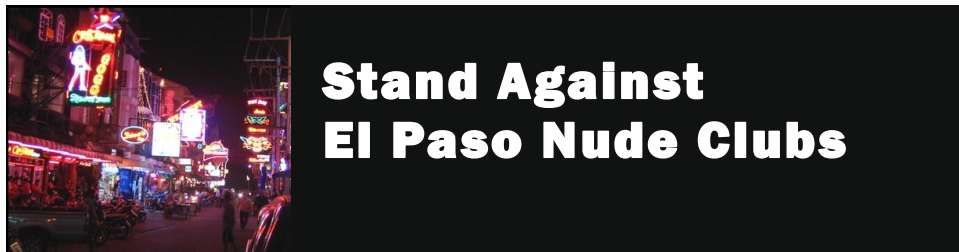

As you may have noticed, the number of nude clubs in our city has been increasing near schools and residential communities. It is time for us, as a community, to stand against them.

Please join us and become informed on what we can do to put the nude clubs in our city out of business.

**Be sure to invite a friend!** Women and men are all encouraged and welcome to attend. RSVP is appreciated yet not necessary.
