The Encourager Church is located west of Beltway 8 on Interstate 10 in west Houston next to the Antique Mart.

If coming from I-10 West (from the Katy area), simply take the Wilcrest Exit, proceed to the 3rd light. Turn left under the Beltway 8. At the first light turn left and proceed straight through the next light. Follow the road as it becomes the feeder. Proceed straight, and you will see ENCOURAGER CHURCH (1/4 mile) on your right.

From Downtown Houston, take I-10 West. Immediately past the Beltway 8, take the WILCREST EXIT. Quickly get into the right hand lane. Encourager Church is on the right (before Wilcrest).

If coming from north to south on Beltway 8, exit before the I-10 overpass, so that you can turn right at Old Katy Road, which runs parallel to I-10 and the feeder. Continue 1/4 mile to ENCOURAGER CHURCH on the right (or you can proceed on the Beltway 8 feeder to I-10 feeder and turn right, staying on the feeder 1/4 mile until you get to Encourager on the right shortly after you cross Brittmore Road.)

If coming from south to north on Beltway 8, take the Memorial Drive exit, stay on the Beltway feeder, turn left on the I-10 feeder. Stay on the feeder road as it turns to the left, then the right. Proceed straight, and you will see ENCOURAGER CHURCH (1/4 mile) on your right.
