

# *Restoring Biblical Purity in the Church*

“Overall, this class was a delight and an inspiration. It has convinced me that it’s not too late to turn the tide. God can do it, and I believe He will, as long as there is a willing and obedient group of people determined to reestablish the principal of holiness to America.” — Pastor Ken Ballard, CA

Since the beginning of social order, the kings of the earth have laughed (Psalm 2) and the heathen have raged (Psalm 46) at nations who relied upon God for law and order. America is no exception. Over 80 years ago, radical leaders of the sexual revolution designed and implemented a plan to rid this country of its Biblical foundations; 52 Bible based laws that protected women, children, and the institution of marriage were targeted and eliminated. The Church was one of the first institutions to be indoctrinated with this new field of human sexuality, which was based on Alfred Kinsey’s fraudulent “scientific” studies. This seminar is meant to educate and encourage those in the Christian Church to wake up, restore what the chancre worm has eaten away, and not be a part of the problem but part of the solution with the love of Jesus Christ.

“Restoring Biblical Purity in the Church” is a course offered at Master’s International School of Divinity and is taught by Audrey Werner, RN, B.S.N., a former sex educator in the schools and churches, former STD (Sexually Transmitted Disease) clinic nurse, trained by the world’s top experts on Kinsey and the laws that were weakened that protected women, children, and marriage. Audrey has been a national speaker for *RSVP America* and has founded *The Matthew XVIII Group*, a ministry dedicated to waking up the Church. She is married (27 years) to a former Family Life pastor and has four children.
