

## PROTECT MARRIAGE!

Renegade, activist judges have sided with those who would destroy traditional marriage and circumvented the will of the people in other states.

### We can't allow this to happen in Kansas!

On **April 5**, Kansas voters will have the opportunity to protect the sanctity of marriage by voting for a Kansas Constitutional Amendment clearly defining that marriage shall exist only between one man and one woman.

Homosexual activists have organized an aggressive campaign to defeat the amendment. They believe those who support traditional marriage will be apathetic and not get out to vote and they can storm the polls and defeat the measure.

### We must get involved.

**We must tell others, write letters to the editor,  
go door-to-door.**

**“Holy” matrimony is at stake!**

Therefore, what God has joined together, let not man separate.’*
