### Lobbying:

Time: 9:30 a.m. – 3:30 p.m.

Location: State Capitol  
1315 10th St

Sunday will be a time of training, inspiration and encouragement. We will be covering such topics as the power of prayer, the looming danger of radical Islam, state legislative update, using the web in the battle and more. Monday will be a full day of activities and lobbying at the capitol. The issue in which we will lobby will be determined last minute based on what issue is most concerning to us within the legislature at the time of our event.

### ***Let's turn our concern into positive action!***

Join with other like-minded individuals who have a passion to see God and His Word exalted and honored in our state and nation once again.

If you weren't able to attend our last Lobby Day in March, this is a perfect opportunity to receive training and be mentored by our experienced Lobby Team Leaders that will walk you through the process. If you have never lobbied before, this is the perfect time for you to come and learn.

The training on Sunday is required to participate in Lobby Day on Monday. If you have received training from us previously, training is not mandatory yet encouraged as we will cover new information.
