Time to Take Action for Alito

Ask Sen. Feinstein to support his confirmation

Concerned Women for America (CWA) wholeheartedly supports President Bush's nomination of Judge Samuel Alito Jr., 55, to the U.S. Supreme Court. Judge Alito is eminently qualified and has a consistent record as a conservative constitutionalist during the past 15 years on the U.S. Court of Appeals for the Third Circuit.

Now we need your help to move Judge Alito to the full Senate for a confirmation vote.

Sen. Dianne Feinstein, who sits on the Judiciary Committee, needs to hear from us! We must share our strong support for this outstanding nominee, and do it right away. Let's have her phones ringing off the hook and her e-mail bin full of "Vote yes on Alito" messages!

Action: Please call or e-mail Sen. Feinstein's office now and let her know you expect her to support Judge Alito's confirmation. Let her know that her California constituents want this eminently qualified nominee on the Supreme Court.

Call her Washington office at (202) 224-3841 or contact her through her [Web site](#).

For example, Judge Samuel Alito will uphold and protect the religious liberties of the American people if he is entrusted to serve on the United States Supreme Court.

"Judge Alito has consistently protected the free exercise rights of all religious people, including Christians, Jews, Muslims, Native Americans and the artwork of a young school boy thankful for Jesus," said Jan LaRue, CWA's Chief Counsel. "He has ruled against government actions that discriminate against or unfairly burden religion, and he has rejected government attempts to use the Establishment Clause to remove all things religious from the public square."

"He has demonstrated a unique combination of intellect, integrity, competence and experience in constitutional law which will drive his demand for justice in the United States Supreme Court."

Thank you for contacting Sen. Feinstein. Your calls and e-mails make a difference!
