California Coalition for Immigration Reform Rally begins at 11:00 a.m.

If you would like to share a positive message encouraging immigration reform, join the CCIR rally which features Jim Gilchrist, founder of the Minuteman Project. The message is enforcing our laws, securing our borders and protecting our families. Participants are encouraged to bring American flags.

Triple Threat Rally begins at 4:00 p.m.

AB 606, AB 1056 and SB 1437 continue the incremental promotion of the homosexual agenda in California schools. Sir Edmund Burke once said, "All that is necessary for evil to triumph is for good men to do nothing." Evil will triumph in California public schools if the good men and women of California do nothing. The schools will be forced to teach about these deviant sexual lifestyles to children starting as early as kindergarten. Let's let the governor hear from us, the good men and women of California.
