

CWA of California Marriage Update

October 10, 2008

Sign Up Now to Help Election Day

Thank you for all you have done to help restore and protect marriage by equipping your church, making phone calls, walking precincts or assisting in any number of other ways. We appreciate your partnership in this crucial cause.

And today we have a special request.

We are asking you to volunteer a few hours of your time on election day, November 4.

Please reply to this e-mail or send a separate e-mail to legislation@california.cwfa.org with your name, phone number, zip code and e-mail address to add your name to the tens of thousands of concerned Californians who will be helping get out the vote as poll watchers.

Plan to take the afternoon off and help ensure that voters who support Prop 8 have gone to the polls. You will be connected with a precinct coordinator and receive all the training you need. No experience is necessary.

Your Church Can Help, Too

Please ask your pastor if you may sign up folks from your church to help get out the vote as well. Forward that information to us via e-mail and we will send it directly to the Prop 8 volunteer coordinators. Rest assured that all contacts will be confidential and will not be added to any subscription lists.

Bring Your Church to the Next Rally

The next simulcast rally is for your entire congregation! Ask your pastor to encourage your church body to attend...

Prayer Power

There are now just 24 days until the election. Please continue to pray and fast, as led, for the crucial cause of restoring marriage.

Cry out to God for a revival to sweep the state. Ask God to touch hearts and minds across California with not only an understanding of the value in restoring Biblical marriage, but also His love and passionate purpose for each person.
