

Concerned Women for America of Iowa invites you to:

Exposing Radical Islam and Unmasking Sharia Law

A seminar on the dangers of militant Islam in our community, Iowa and America

According to Andrew McCarthy “In Islamist ideology, sharia is deemed to be the necessary precondition for Islamizing a society — for Islam is not merely a religious doctrine, but a comprehensive socio-economic and political system.”

What kind of influence could radical Islam have in our state concerning education, the economy and women’s rights?
