Concerned Women for America of Iowa's **6th Annual Veteran's Day Event**

Sunday, November 11, 2012

Join us as we honor our Veterans who are serving and have served. We will recognize them for who they truly are - Heroes.

George Orwell has said, "We sleep safely in our beds because rough men stand ready in the night to visit violence on those who would do us harm." In turn, we give them a hero's welcome home and help them find healing for there is no such thing as an unwounded soldier.

A concert will follow the event with the band
Every Empire with Jeromy Darling and his sister Celeste.

Every Empire has been working to bring awareness to disabled Veterans through their music and a movie called "You Should be Famous." Information about the movie can be found at
