

Plans are well underway for CWA of Iowa's
4th Annual Evening to Honor Iowa Veterans
7:00 p.m., Monday, Nov. 8, 2010
Grace Church – Des Moines
4200 E. 25th Street, just off of I-235 Euclid east exit.

Please consider how you might help with any of these six easy action items to honor our Iowa Veterans and families:

1. A photo of a soldier returning to their family to use in our promotions for this year's event. Please e-mail any to me at director@iowa.cwfa.org ASAP.

2. Soldier Salute Photos – We will once again be honoring those who are actively deployed away from home. Whether these soldiers are across the sea or a state away, if they are serving away from family, we want to honor them. We will honor family members in attendance at the event when the soldier's photo is displayed on the screen.

Send a photo of your soldier in uniform with name, rank, location of service to Jane McWilliams at jmcwill@mchsi.com by Thurs. Nov. 4. Please forward this information to others with family members serving.

3. Personal stories – If you know of an Iowa veteran with an interesting story from any of the wars, conflicts and battles involving America's military, please help me connect with them.

4. Volunteers – these events always take planning and people. If you would like to help in any way, please contact Tamara Scott, 515-963-0888 or e-mail director@iowa.cwfa.org with CWA Veteran Event in the subject line.

5. Awards – We will once again be honoring two individuals. If you know of a veteran who displayed courage and bravery on the battle field, please send their story to director@iowa.cwfa.org. If you know of a civilian who works to maintain freedoms and protect our liberties here at home, please send their story to director@iowa.cwfa.org.

6. \$\$\$ - While all CWA staff and event participants volunteer their time and services, there are still costs to promote the event and rent the church building. Donations are appreciated and can be sent to address below.

HOPE TO SEE YOU and your family – Monday, Nov. 8, 2010.
This evening continues to amaze me as Iowa Vets share their stories with other Iowans training and teaching our children history through the truth of personal experiences.

Blessings,
