

Letter to Senator Johnny Isakson and Senator Saxby Chambliss

July 20, 2010

On behalf of the 12,000 members of Concerned Women for America (CWA) of Georgia, I would like to thank you for your recent decision to oppose the nomination of Solicitor General Elena Kagan to the U.S. Supreme Court. We applaud this decision and are grateful for your stand against her nomination.

CWA firmly believes that if confirmed, Elena Kagan will jettison our nation into decades of radical left-wing decisions, all the while wreaking havoc on the United States of America. If her past rulings and actions are an indicator, Kagan will trample on the rights of the unborn, seek to legislate same-sex marriage from the bench, and side-step the U.S. Constitution and look to international law as a primary source for her decisions.

CWA of Georgia again thanks you for your decision to vote against the confirmation of Elena Kagan. We respectfully request that you encourage fellow senators to also oppose the confirmation of the Kagan.

Concerned Women for America is the nation's largest public policy women's organization with more than 500,000 members.

Sincerely,

Tanya Ditty  
State Director
