## Women and Sharia Law

— September 15, 2011 — 1:00 p.m. to 4:00 p.m. —

Washington, D.C. on Capitol Hill

CWA presents an in-depth discussion with experts on America's most important policy issue. This issue affects foreign policy, human rights and perhaps even our own system of law in the future. Come join us and our panel as we expose underlying tenets of Sharia Law and how it threatens our nation and your family. *More information to come! See ConcernedWomen.org.*

## Who But Today's Woman?

*"Yet who knows whether you have come to the kingdom for such a time as this?"*

Esther 4:14b

Just as Esther, thousands of years ago, was given the opportunity to be used in God's awesome plan of rescue, so too are we each given the opportunity in this day and age to be used by Almighty God. In the verses proceeding Esther 4:14, we learn that God is going to do a great work with or without Esther. The question wasn't whether or not God was going to move mightily; it was whether or not Esther was going to chose to be part of it and receive a part of the blessing. God's divine sovereignty and human responsibility came together. Esther's job was to speak the truth. She had to accurately and logically communicate the plight of the Jews to the king.

CWA's Leadership Conference will train you to be a truth-teller. It will help you to formulate accurate and logical arguments and teach you how to communicate effectively.

Have you been called for such a time as this? Today's Concerned Women will be gathering together on September 15 - 17, I hope to see you there.

Chief Executive Officer
