The Honorable Judge Darrell White (Retired)
President, American Judicial Alliance
5656 College Drive
Baton Rouge, LA 70806

Dear Judge White:

I have been honored to participate in the presentation of Harlan Tradition Bibles to courts in Harris County, Texas, for the past two years.

Concerned Women for America of South Texas was invited to be a part of this noble activity, and in 2010 judges from seven courts in Harris County received Harlan Bibles at a CWA meeting in Houston. Once again in 2012, we were delighted to take part in these presentations and have been a part of 14 more judges accepting Bibles for their courts. In addition two new judges signed Bibles which had previously been presented to their respective courts.

To be a part of this endeavor in an America slowly awakening to its critical and perilous state is a humbling but rewarding challenge. I would encourage other communities to take up this challenge as well!

Sincerely,

Norma Jeter
