If you don't do anything else in this legislative session, please
be sure to do this!

LD 760 "An Act Regarding Informed Consent to an Abortion" and LD 1339 "An Act to Strengthen the Consent Laws for Abortions Performed on Minors and Incapacitated Persons" will be heard before the Judiciary Committee Thursday, May 16 at 1:00 p.m., Room 438, State House, Augusta. **Please stand with us by attending the public hearing to support these very important bills.**

Please also contact your local representative, senator and members of the Joint Standing Committee on the Judiciary, respectfully asking them to support the legislation. We want to stop the "war on women".
