

# THE MAKING OF AMERICA

## SEMINARS

**CWA 2012  
Get Out the Vote  
Campaign**

Once encouraged and armed with an understanding of our country's beginnings, we will give you the tools needed to carry out the founding fathers' vision through the CWA 2012 Get Out the Vote Campaign.

**CWA 2012 Get Out the Vote Campaign** inspires, trains and activates conservative voters to impact elections across the country. With only half of the Christians across the United States currently registered to vote and even less actually voting, we have an incredible opportunity in the next election to turn the tide as we influence the conservative base to Get Out the Vote! Please join us!

**Concerned Women for America of Missouri** invites you to join us as we discover the Founders' original success formula for freedom.

When good people come together in the spirit of learning--people who sense that something is terribly amiss in America and seeking to know if there are better answers--a sense of peace and hope pervades the room as the story of the Founders' message is unfolded to them.

Dr. Earl Taylor, President of National Center for Constitutional Studies ([www.nccs.net](http://www.nccs.net)), will make this educational and inspirational presentation on the founding of this unique land called the United States of America.
