Concerned Women for America
Protecting the Family Through Prayer and Action

Core Issues

Family ♦ Sanctity of Human Life ♦ Education
Pornography ♦ Religious Liberty ♦ National Sovereignty

Vision

The vision of CWA is for women and like-minded men, from all walks of life, to come together and restore the family to its traditional purpose and thereby allow each member of the family to realize their God-given potential and be more responsible citizens.

Mission

The mission of CWA is to protect and promote Biblical values among all citizens - first through prayer, then education, and finally by influencing our society - thereby reversing the decline in moral values in our nation.

CWA State Organization

CWA, the nation's largest public policy women's organization with 500,000 members nationwide, helps members across the country bring Biblical principles into all levels of public policy.

Through the direction of a State Director and her Steering Committee, members can turn concern into prayer and action!

The state organizations hold community and state events, meet with legislators, inform the public of pertinent issues affecting the family and maintain state websites: states.cwfa.org.

Prayer/Action Chapters

Prayer/Action Chapters meet monthly across the nation in homes, churches, communities. The purpose of a chapter is tri-fold:
PRAYER ♦ EDUCATE ♦ ACT.
