

Please join Concerned Women for America of North Carolina
for

She Votes 2012 Training and Action Seminar

as we launch Concerned Women for America's exciting
new national get out the vote project.

This project, She Votes 2012, inspires, trains and
activates conservatives to impact elections across
the country. Ultimately our objective is to see
more conservative representatives in office who
will uphold traditional family values
and constitutional free market principles.

With only half of the Christians in the United States
currently registered to vote, and even less actually
voting, we have an incredible opportunity in the next
election to turn the tide as we get out the vote!

Together we will change the course of our nation
through prayer, voter registration, voter canvassing,
voter identification, voter turnout and more.

Join us in Gastonia, Jamestown, Pisgah Forest or your
very own home to become part of the She Votes 2012 Team!
Women, men and teens are all welcome!

Let us not forget that this battle is indeed spiritual,
and will be won in November first and foremost with
continued vigilant prayers. Please commit to praying
regularly for the November elections.

Let your prayers be accompanied by your actions.
There is a place for everyone on the team! Join us
and put your talents to good use for the glory of God!

Are you with us!?
