# North Carolina Family Action Phone Calling Directions

PLEASE NOTE WHEN YOU START AND STOP.  
WE'D LIKE TO KEEP A RECORD OF YOUR VOLUNTEER HOURS  
AND NUMBER OF CALLS and THANK YOU FOR SERVING!

## How to make phone calls

1. Dial 1-(855)-434-5934 and when prompted enter your pin# 05509. Both of these numbers are found at the top right of your script and can be put into your phone contacts to make everything easier.
2. Prompt will tell you to **press \*** and your phone will automatically begin dialing.
3. When you hear music playing, you know the system is randomly calling numbers. You may be listening for awhile, but realize this is normal.
4. Someone or something is on the line when the music ends. Begin talking right away using Phone Call Script, because sometimes we miss their "hello".
5. Please use your nice voice through the entire script. Whenever you are done...whether you got through it all or just got hung up on before you said 2 words...**PRESS \*** again.
6. \* will activate the system's voice to ask you all 5 questions on the script and you will record the person's answers by pressing the correct number from the script. You do not have to wait for it to read the entire question, just enough that the system knows you are on the question. Once you **press \*** the system will continue to the next question.
7. Done with that call! TALLY MARK FOR CALL COUNT.
8. **Press \*** to begin the process all over again!

## Answering Machine or Fax Machine

1. **Press \*** when you recognize it's an answering machine or fax machine.
2. The system will begin asking same ?s, so you just press # for answering machine from your phone script.
3. Done with that call! Tally.
4. **Press\*** to begin the process all over again!

Thank you so much for serving!

## PLAYING YOUR PART

READ:  
Romans 12:1-8

We have many  
members in one body,  
but all the members  
do not have the same  
function.

—Romans 12:4

THE BIBLE IN ONE YEAR:  
☞ Zechariah 13-14  
☞ Revelation 21

The success of the performances are the culmination of an intense 4- to 5-month process that is dependent on the hard work of a wide range of dedicated volunteers.

Similarly, for the body of Christ to function fully, each of us must play a part. Every believer is uniquely gifted for service. When these gifts are combined in a cooperative relationship, "every part does its share" (Eph. 4:16), and the separate parts make up the whole (Rom. 12:5).

We need each other. What part are you playing in the life of the church? —Cindy Hess Kasper

*For the church to function fully,  
We must all fulfill our role;  
While the Spirit's gifts are many,  
They combine to serve the whole. —Sper*

---

**For a church to be healthy, its members  
must exercise their spiritual gifts.**

For the past several years, my daughter Rosie has been the director of drama at a local middle school. Students come to audition and a few are selected to play the lead roles. But there are still many other important supporting roles that must be cast—roles that are vital to the production.

There are other young people who want to be a part of the show but don't relish being in the spotlight. They are the ones who will change scenery, open and close the curtains, run the lights, and assist with makeup and costume changes. Then there are the parents from the community who provide pizza and cookies for rehearsals, donate goods, build sets, sew costumes, make signs, and hand out programs.

Thank you
