She Votes – Get Out the Vote, 2012 Training and Action Seminar

“Pray for all who are in authority...” 1 Timothy 2: 1-5

She Votes 2012 is a get out the vote project of Concerned Women for America.

It inspires, trains and activates conservatives to impact elections across the country. Ultimately our objective is to see more conservative representatives in office who will uphold traditional family values and constitutional free market principles.

As we stand strong together we will change the course of our nation through prayer, voter registration, voter canvassing, voter identification, voter turnout and more.

“When My people called by My Name pray...” 2 Chronicles 7: 14

1996 Pastor Joe Wright opened the new session of the Kansas State House with a prayer that impacted the world. Here is the conclusion to Pastor Joe Wright’s prayer:

“Search us O God and know our hearts today. Try us and see if there be some wicked way in us. Cleanse us from every sin and set us free. Guide and bless these men and women who have been sent and ordained by you to govern this great nation. Grant them your wisdom to rule and may their decisions direct us to the center of your will. We ask it in the Name of your son, the living Savior, Jesus Christ. Amen.”
