**STAND STRONG TOGETHER**

We will examine the role of pastors, church leaders, congregations, ministries and coalitions in influencing public policy.

North Carolina state government is aggressively instituting policies that contradict the Biblical values of family and marriage taught from the pulpit each week. **STAND STRONG TOGETHER** will examine the legal, theological, and practical questions concerning our influence in our churches, communities, elections, legislature and more. In addition we will enjoy a time of prayer, fellowship and networking.

A Conference for Pastors, Church Leaders, Congregations, Ministries and Coalitions

It is crucial that pastors and the Church are equipped to combat a culture that attacks the traditional values of marriage, family and the sanctity of life.

You are invited to join together for prayer and action, equipped as a voice for truth and righteousness in election year 2012.

In North Carolina marriage is under assault by the culture. Christians must stand together to define marriage as the union between one man and one woman.

Declining cultural values demands a return of the prophetic voice of the Church, defining Biblical marriage and family values from the pulpit to the public square through prayer, action, and our votes in the May and November elections.

“You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men. You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven.” Matthew 5:13-16
