“If My people who are called by My name
will humble themselves, and pray and seek My face,
and turn from their wicked ways,
then I will hear from heaven,
and will forgive their sin and heal their land.

II Chronicles 7:14 (NKJ)

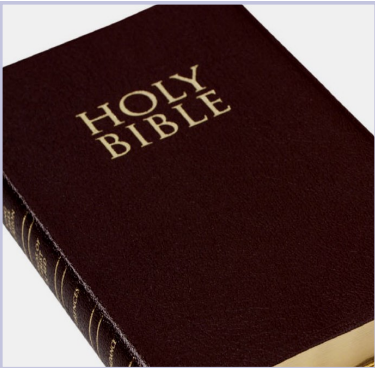

**Join with us as we focus on issues
concerning the American family
and our nation.**

“I know the Lord has ordained CWA for
an important function during these troubled times.

We are awakening thousands of Christians
to their responsibilities as citizens in this country.”

Protecting the Family Through Prayer and Action

Core Issues

Family ♦ Sanctity of Human Life ♦ Education
Pornography ♦ Religious Liberty ♦ National Sovereignty

Vision

The vision of CWA is for women and like-minded men, from all walks of life, to come together and restore the family to its traditional purpose and thereby allow each member of the family to realize their God-given potential and be more responsible citizens.

Mission

The mission of CWA is to protect and promote Biblical values among all citizens - first through prayer, then education, and finally by influencing our society - thereby reversing the decline in moral values in our nation.

CWA State Organization

CWA, the nation's largest public policy women's organization, helps members across the country bring Biblical principles into all levels of public policy.

Through the direction of a State Director and her Steering Committee, members can turn concern into prayer and action! The state organizations hold community and state events, meet with legislators, inform the public of pertinent issues affecting the family and maintain state websites: states.cwfa.org.

Prayer/Action Chapters

Prayer/Action Chapters meet monthly across the nation in homes, churches, communities. The purpose of a chapter is tri-fold: PRAYER ♦ EDUCATE ♦ ACT.
