

## Calling all New Hampshire Prayer Warriors!

*"The fervent prayer of a righteous man is powerful and effective."*

James 5:16

Do you want to make a “powerful and effective” investment in the State of New Hampshire?

The second annual **Encourage-A-Legislator Prayer Ministry** sponsored by Concerned Women for America of New Hampshire (CWANH) will begin on January 15, 2010. This ministry consists of sending handwritten note of encouragement, Scriptures, and a commitment to pray for a legislator during the 2010 New Hampshire legislative session.

What does the ministry comprise?

Daily New Hampshire prayer warriors will seek God for specific areas of need for their assigned legislators. For example they will pray for:

- Legislators to seek wisdom and strength to uphold God’s principles when drafting and sponsoring new laws
- Legislator’s family unity and health
- Suppression of weariness, depression, and pride
- Wise and Godly decisions

Do you want to make a difference in our state and in the lives of those who have been elected to oversee how our state is run? Join CWANH in this life changing ministry.

CWANH is seeking enough faithful volunteers so that each of the 425 legislators will be covered during the 2010 legislative session (January 15 - end of June). CWANH will provide the legislator’s bio, six postcards, addresses, Scripture verses, newsletters, and prayer gatherings (optional attendance); all you have to do is compose the card, put a stamp on it, and mail it.

[Click here to sign up today!](#) Please be sure to include your name, address, phone number and number of legislators you would like assigned to you. Your packet of postcards, Scripture verses and assigned legislator(s) will be sent to you by the first week of January.

Let us hear from you by January 15.

Please note: If you are able to donate \$15 dollars to cover the cost of the materials for this ministry, it would be greatly appreciated. All funds donated go directly into the Encourage-A-Legislator ministry.
