

Help Stop the Common Core Standards in Ohio

WE NEED YOU! **Common Core Repeal Bill Hearing**

The Ohio House Education Committee will hold a hearing on [HB237](#), a bill to repeal the Common Core standards in Ohio. State Rep. Andy Thompson (R- District 95) is the bill sponsor.

This bill needs support from **every** concerned parent, grandparent, and taxpaying citizen of Ohio. If at all possible, please plan to attend the hearing to show Gov. Kasich and the Ohio legislators that you want them to show bold leadership and return education authority and sovereignty back to Ohioans.

It is critical that **everyone** call and/or e-mail the chairman of the House Education Committee and the members of the committee. Urge them to support HB237.

Chairman Rep. Gerald Stebelton (R-District 77): Call (614-466-8100) or [e-mail](#).

This is our chance to make our voices heard! It is crucial that we get as large a public showing on November 20 as possible. ***It is critical*** that this bill is passed out of committee, or the Common Core marches forward in Ohio's schools, and there will likely be no turning back.

This is our chance! This is our moment! This is our time to act!
