

# Concerned Women for America CEO and President Penny Nance to Visit Seven Ohio Counties

## October 18 & 19, 2012

As part of the She Votes 2012 project Penny Nance will be doing a SEVEN County visit to Ohio. Penny wants to encourage early voting and talk about what she is seeing in Washington regarding this monumental election. Penny believes that it is the women and families of America who can change the trajectory of our nation. So we need to be united in standing up for our God given liberties and our Constitution.

**Please join us** at the following locations:
