

Prayer/Action Chapters

Nothing stirs our hearts more to give thanks for the blessing of America's Christian heritage. This happens when we read the inspiring words of our nation's leaders, who believed this country's greatness is based on citizens ascribing to the scriptural truths of the One and Only Living God! President Calvin Coolidge confirmed the strong Christian principles upon which our country was founded. "If the government of the American people is to endure," he said, "it will be because of their religious convictions." This is the strength of America.

We are 21st century "Concerned Women" praying for America. May our hearts remain joyous and faithful to our beliefs in the victory of the cross and the power of the risen Lord. May we never grow weary of praying for His Righteousness to exalt our nation, for His strength to heal our land (II Chronicles 7:14).

This year consider joining or starting a Prayer/Action Chapter in your area. For a minimum commitment of one hour a month, you will have the opportunity to pray and take action on legislation that affects your lives as Bible-believing American citizens.

Contact us today to join or start a chapter in your area!

Questions Most Frequently Asked About Starting a Prayer/Action Chapter

What is a Prayer/Action Chapter?

Prayer/Action Chapters meet monthly to review current issues on the local, state and national level. Meetings include ample time to educate the group on an issue, pray about the issue and then take action such as writing a letter or committing to make phone calls. Meetings typically run from 1-2 hours.

I'm not prepared to be a Prayer/Action Chapter Leader, but I would like to participate in one, what can I do?

You simply need to be willing to set up a meeting date, once a month for three continuous months. We can have a CWA leader attend the first three meetings, lead them for you and help recruit a chapter leader.

How would I find people to come to the meetings?

We will put a notice in the State newsletter that a new prayer chapter has formed in your area. We can assist you in putting together a bulletin insert for local churches. Although experience tells us that word of mouth is typically the best way to get the word out to interested women.

I'm willing to be the Chapter Leader, how do I get started?

Contact us today! Once approved we will assist you with the first three meetings with outlines and possible attendance by a current CWA leader.
