

Stand Up Missouri Rally

Tuesday, April 27th

6:00 pm to 8:00 pm

O'Laughlin's Concrete Plant

Highway 36, approx. 2 miles East of Highway 63

Stand Up! Let your voices be heard!! Bring your signs, bring your lawn chairs and get ready to settle in for a time with our northern county farmers and business owners who want to tell the President to stop the strangle hold of endless regulations and taxing. We have no more wealth for him to redistribute out of Rural America!

Wednesday

April 28th 10:45 a.m.

We will be coordinating with Missouri AsAMom to line the roads to the ethanol plant to welcome the President to Rural America with our voices (signs) once again.

Please check back as we update information as quickly as we receive it.
