**The Vision of Concerned Women for America of Texas:** CWA of Texas envisions a culture that reveres all stages of life from conception to natural death; supports the Biblical pattern for families; educates our youth with unbiased truth; protects people from the perversities of pornography; allows citizens to practice their faith unfettered by governmental regulations; and stands for the protection of our country with uncompromised national sovereignty.

**The Mission of Concerned Women for America of Texas:** CWA of Texas will motivate, educate, activate, and train Texans to stand for Biblical principles in public policies.

“Enlighten the people generally, and tyranny and oppressions of body and mind will vanish like evil spirits at the dawn of day.”  
~ Thomas Jefferson to Du Pont de Nemours, April 24, 1816

And have no fellowship with the unfruitful works of darkness, but rather expose them.” Ephesians 5:11 (NKJV)
