Missouri State Capitol

The people were promised that once the budget was finished, the Senate would go back to SJR25. This is it. The budget was passed and now we expect SJR25 to be addressed and brought to a vote in time to get it back through the House. We must show up so the leaders in the Senate will know that we have not forgotten, we will not give up. The Missouri General Assembly will adjourn for the year on May 14. The passage of SJR25 must be given top priority!

Wear red.
