

Marriage is under attack!

Renegade, activist judges have sided with those who would destroy traditional marriage and have circumvented the will of the people in other states.

We can't allow this to happen in Texas!

On **November 8**, Texas voters have the opportunity to protect the sanctity of marriage by voting for a Texas constitutional amendment that clearly defines marriage as between one man and one woman.

Homosexual activists have organized an aggressive campaign to defeat the amendment. They believe those who support traditional marriage will be apathetic and not get out to vote, and they can storm the polls and defeat the measure.

We must get involved.

We must tell others, write letters to the editor and go door-to-door.

"Holy" matrimony is at stake!

Matthew 19:4-6: "And He answered and said to them, 'Have you not read that He who made them at the beginning 'made them male and female,' and said, 'For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh?' So then, they are no longer two but one flesh. *Therefore, what God has joined together, let not man separate.*" (Emphasis added.)

FOR MARRIAGE, FOR THE FAMILY, FOR PROPOSITION 2!

Request an **Absentee Ballot** by **November 1** if you are going to be out of town. Go to www.sos.state.tx.us for the form.

Don't miss this chance to protect the sanctity of marriage!
