Legislative Update!

Two bills that pose a blatant attack on marriage passed the Senate floor and have been sent to the State Assembly. SB 1172 [passed](#) on May 30 and SB 1140 [passed](#) on May 31. Now that they are on the Assembly floor, please pray that our assembly members would stand strong against the pressure of the LGBT lobbyists and protect the sanctity of marriage. Please ask your assembly member to oppose these bills.

Action: Please contact your assembly member and ask him or her to vote "no" on SB 1172 and SB 1140. Find your assembly member [here](#). On your member's website, click the "contact me" link for phone and fax numbers as well as a web form to send your message 24/7. For more information and to keep track of the bills' progress see our ["Targeted Bills" list](#).

Bill details:

In addition to the attack on parental rights, **SB 1172** also requires people 18 and over voluntarily seeking treatment to change their sexual orientation to sign an informed consent form filled with misinformation.

SB 1172, sponsored by Equality California, also creates a cause of action against psychologists that may be brought by the patient or the patient's family. **There is no religious exemption for faith-based counseling services.** Click [here](#) for more information about SB 1172.

SB 1140, also sponsored by Equality California, changes the definition of marriage to "a personal relation arising out of a civil, and not religious, contract." It also states that no faith leader may be required to solemnize a marriage that is contrary to the tenets of his or her faith. Click [here](#) for more information about SB 1140.
