

INTERNATIONAL DAY OF PRAYER FOR THE PERSECUTED CHURCH
Sunday, November 12, 2006

And our hope for you is steadfast, because we know that as you are partakers of the sufferings, so also you will partake of the consolation.
2 Corinthians 1:7

Pray for the persecuted. Pray that God grants comfort to those who live in nations that criminalize Christianity. Pray for God's protection as Christians in those nations face every type of discrimination and the threat of physical harm everyday just for believing in Jesus Christ as their Savior. Pray they receive the strength to continue steadfast in their faith.

Pray for the nations who persecute Christians. Pray that God will open their eyes to the suffering they inflict on their own people. Pray that God will turn their hearts and minds to allow Christians to worship freely without persecution.

Pray for those who tirelessly work to ease the suffering. Pray for God's continued guidance for those who willingly endanger themselves to ease the suffering of others. Pray they receive the resources and strength necessary to continue their efforts.

Pray for more awareness on this issue. Pray that Christians in free nations recognize the suffering their brothers and sisters face. Pray that more people become aware of what is happening all around the world and that God moves their hearts to help ease this suffering.
