

Remember the Baby!

Display a nativity
this Christmas

Jesus is the reason for our celebration!

It is His birthday!

Display the nativity in your yard!

Lights are beautiful; trees are awesome; penguins and polar bears are cute; presents are cool; but . . .

**Our God is infinite, omnipresent, omniscient,
creator of all and, most important, He is our Savior!**

Show your admiration this Christmas and light up your neighborhood
with the love of God -

Jesus!
