

Prayer/Action Chapter Opportunities

Prayer/Action Chapters connect Christians who are concerned about America in a united prayer and action network. Through our chapters, we keep informed about current issues, expose those forces weakening the family and educate others and ourselves in the governmental process. Then, armed with this information, we pray diligently for our nation and its leaders and respond to the issues with an appropriate action.

Would you consider joining or starting a Prayer/Action Chapter in your area? You will have the opportunity to pray and take action on legislation that affects your lives as Bible-believing American citizens and help restore the spiritual fiber of our nation.
