Representative Lisa Billy
2300 N. Lincoln Blvd., Room 302-A
Oklahoma City, Oklahoma 73105

Dear Representative Billy:

On behalf of Concerned Women for America (CWA) of Oklahoma, I want to thank you for writing legislation to require an ultrasound be given to women before having an abortion; thank you also for your pro-life positions. When a woman sees the baby that is growing inside of her, the majority of those women will choose life for their baby and their own lives will not be destroyed.

We want to encourage you to continue to fight the good fight and to realize that you are making a difference in the lives of Oklahomans and impacting our nation.

Please let us know if we can be of assistance to you in future efforts to protect life and traditional, Biblical values.

Sincerely,

Linda Caswell
State Director
