RE: HB3060

Dear Senator Gumm,

Congratulations on the passage of HB3060! On behalf of Concerned Women for America (CWA) of Oklahoma, I would like to take this opportunity to thank you for authoring this bill to establish a public umbilical cord-blood bank in Oklahoma. We believe that many people's lives will be saved as a result of this bill being passed, and it is indeed a wonderful day for Oklahoma families.

You have helped to create an opportunity for stem cell research to be expanded in Oklahoma without destroying life.

Thank you for your pro-life stand, and please let us know if we can be of help to you in the future.

Sincerely,

Linda Caswell
State Director
