RE: SB 1878

Dear Representative Peterson:

We at Concerned Women for America (CWA) of Oklahoma thank God for you! I want to thank you for authoring SB 1878 and for all of the hard work that you did to see it through the legislature. Through your efforts the rights of health care professionals who are opposed to destroying human lives will be upheld, and many unborn human beings will be saved.

We will continue to lift you up in prayer as you stand for righteousness in our state and nation.

Please let us know if we can be of assistance to you in future endeavors to protect life and the family.

Sincerely,

Linda Caswell
State Director
