**SB88** would require abortionists to offer a woman seeking an abortion the opportunity to view an ultrasound image of her unborn baby.

*Women need to be fully informed before a life-altering decision like abortion.*

**Please contact your South Dakota State Legislators immediately.**

**Urge them to support SB88, the ultrasound bill, sponsored by Sen. Dennis Schmidt and Rep. Keri Weems.**

Call to leave a message at the capitol in Pierre for your:

State Senator at (605) 773-3821

Two State Representatives at (605) 773-3851

If you are unaware who your senator and representatives are, call your county auditor or visit [www.cwfa.org](http://www.cwfa.org), click "Get Involved" and type your zip code in the space next to the "Elected Officials" icon.
